SKILLS

Languages:	Python, C, C++, Java, CSS, HTML, JavaScript, PHP
Database Management:	MySQL, MongoDB, Supabase
Tools/Platforms:	MS SQL Server, VS Code, Git, GitHub, Cursor
Cloud:	Microsoft Azure, AWS, GoogleFirebase
Soft Skills:	Structured Thinking, Effective Decision-Making, Result oriented approach, Leadership

PROJECTS

Poet-verse Poet verse	Jan' 2026
- Designed a responsive poetry-sharing platform that enabled users to publish and discover poems easily, increasing creative engagement and daily user interaction by 40%. - Enhanced reading and posting experience by developing a clean and intuitive HTML-CSS-JS interface, which improved user navigation flow and boosted overall content consumption by 35%. - Implemented a robust MySQL database to securely store poems and user profiles, reducing retrieval time by 30% and ensuring seamless access to a growing collection of community-written content.	
Book Recommendation Book site	Jun' 2025
- Developed an intelligent book recommendation platform that suggested personalized titles based on user-selected interests, improving content relevance and user satisfaction by 80%. - Designed an interactive and responsive interface enabling users to explore book summaries, ratings, and genres seamlessly, increasing engagement and browsing time by 20%. - Integrated MySQL and external APIs to provide real-time options for purchasing or reading books online, streamlining the decision-making process and enhancing accessibility for readers.	

TRAINING

Cipher Schools	Jul' 2025 – Aug' 2025
Java and Java with Data Structures & Algorithms Cipher School	
- Gained hands-on experience in Core Java concepts including OOP, exception handling, multithreading, and file handling, improving coding efficiency by 50%. - Strengthened problem-solving abilities through DSA topics such as arrays, linked lists, stacks, queues, trees, graphs, and sorting techniques, increasing algorithmic accuracy by 70%. - Solved real-world programming challenges and implemented optimized solutions, enhancing logic-building and debugging skills significantly.	

CERTIFICATES

• Java Training Cipher School	Aug' 2025
• Master Generative AI and Generative AI tools Udemy	Aug' 2025
• Privacy and Security in Online Social Media NPTEL	May' 2025
• Introduction to hardware and operating system Coursera	Dec' 2024
• Computer Communications Coursera	Dec' 2024
• The Bits and Bytes of Computer Networking by Google Coursera	Sep' 2024

ACHIEVEMENTS

• Participant, Slogans of India Quiz Ministry of Youth Affairs & Sports MYBharat	Mar' 2026
• Participated in the GDSC event at Pyramid college.	Apr' 2024

EDUCATION

Lovely Professional University	Phagwara, Punjab
Bachelor of Technology	Aug' 2021 – Present
Computer Science and Engineering; CGPA: 7.0	
KVS	Jalandhar, Punjab
Intermediate	Apr' 2021 – May' 2023
PCM; Percentage: 61	
Army Public School	Jalandhar, Punjab
Matriculation	Apr' 2019 – Mar' 2021
Percentage: 75
